Carrie Graham - Would like to give thanks to Panther Cubs PTO for the craft show, Bob Richards, the FFA students, Patty Pniewski and 10 band members for an awesome job on their floats for the community light parade.

VI. Discussion Items

1. Grant Update - \$5,769,281 in total grant dollars under management so far this year. Does not include Beyond Basics grant. Explanation of grants and balances.

2. Summer School Data - Our program was structured more on academics this year with math and reading being the focus. Our total participation was 163 students. The program received positive feedback from parents, students and staff. We will be starting our invitation process earlier this coming year as well as ensuring that all stakeholders (food service, transportation and community education) are involved in the planning process.

3. Budget Forecast Tool - Explanation of Budget Tool showing the current year plus 4 years projections.

4. Smith Elementary - We held an after school meeting for Smith staff to listen to concerns and frustrations. This last calendar year has been challenging with student behaviors and while we have made tremendous growth; we recently welcomed two students with significant needs that has the staff feeling overwhelmed.

5. Sportsmanship - We are debuting surveys for other schools athletic directors, coaches & our transportation to complete for each contest. Currently the survey is in paper form so it can roll out today. We have plans to create a digital format going forward. We are looking to host a workshop with students and parents to focus on the student, parent and school perspective.
