

Literacy Benchmark and Diagnostic Assessments

35j Compliance

<https://www.panethernet.net/notices-and-required-reporting/transparency-reporting/>

The following assessments are used in the Stockbridge Community Schools to support our teachers' and administrators' understanding of every student's reading progress as it relates to developmentally appropriate reading skills acquisition.

Pre-Kindergarten: Acadience's PELI Assessment

K-1: Renaissance Learning's Fastbridge EarlyReading and CBM (1st Grade Only)

2-5: Renaissance Learning's Fastbridge AReading and CBM Reading

The English Language Arts Curricula used to support students' reading and writing skills are:

[Wonders 2017](#)

AND

[IMSE's Orton-Gillingham](#) materials that came with our Science of Reading structured literacy training.

If you have any questions about your child's individual reading skills, please contact their classroom teacher at your earliest convenience.

Sincerely,

Stephen J. Keskes, Ed.D.
